Join EUCI for a 1-day fundamentals course on midstream accounting: Gas processing, NGL fractionation, oil, and the transportation of these products will be covered. This course is designed for Midstream Professionals who desire an understanding of the issues faced in accounting for gas plants, NGL liquids fractionation and oil transportation. This primary focus of this class will be on gas, gas processing, natural gas liquids and condensate.

Topics covered in this course will include gas plant gathering and processing operations, fractionator operations, measurement issues of gas and NGLs including component balancing of systems, gas gathering and processing - Allocation and contract settlement (as seen from the viewpoint of both processor and upstream E&P accounting) will also be covered.

EUCI is authorized by IACET to offer 0.6 CEUs for the course. Participants must log on each day and be in attendance for the entirety of the course to be eligible for continuing education credit.

## LEARNING OUTCOMES

- Discuss the basics of Midstream – gathering, treating, compressing, delivery
- Review the basic operations of the gathering, processing and transportation of natural gas, NGL fractionation and oil transportation
- Identify the fundamentals of gas measurement, liquid measurement and system component balancing including a look at the basics of hydrocarbon structure and characteristics
- Discuss allocation essentials and accounting of gas gathering & processing and the different types of contracts involved in gathering and processing
- Review basic economic analysis of processing through a gas plant or fractionator
- Discuss deeper aspects of measurement and of the use of systems

## INSTRUCTOR

**Dan Hodgson, CPA, Accounting Manager, Stakeholder Midstream, LLC**

# ONLINE DELIVERY & PARTICIPATION DETAILS

EUCI will use Microsoft Teams to facilitate participation in the upcoming event. Attendees do not need to have an existing Teams account to participate in the broadcast. The course will play in attendee's browser. When attendees sign on, their microphones are typically muted. Attendees should keep their mic muted until such time as it's needed to ask a question. During the event, participants will have the option of using a microphone to speak with the room and ask questions, or type in any questions via the chat window and our online administrator will relay your question to the instructor.

- Each attendee will receive an event invitation by e-mail, which will include one link to sign on for each half-day of the event (i.e., three links for a 1 ½ day event). The appropriate link must be used to join each half-day event segment at the appropriate time.
- The remote meeting connection will open approximately 30 minutes before the start of the course. We encourage attendees to connect as early as possible in case of unforeseen problems.

## Substitutions & Cancellations

Your registration may be transferred to a member of your organization up to 24 hours in advance of the event. Cancellations must be received on or before April 9, 2021 in order to be refunded and will be subject to a US \$195.00 processing fee per registrant. No refunds will be made after this date. Cancellations received after this date will create a credit of the tuition (less processing fee) good toward any other EUCI event. This credit will be good for six months from the cancellation date. In the event of non-attendance, all registration fees will be forfeited. In case of course cancellation, EUCI's liability is limited to refund of the event registration fee only. For more information regarding administrative policies, such as complaints and refunds, please contact our offices at 303-770-8800. EUCI reserves the right to alter this program without prior notice.
