This workshop will examine developing policy and technology trends that have recently roiled certain PJM Interconnection market elements, such as:

- Recent, controversial FERC Orders and PJM responses to Capacity Market, Reserve Market and other design mandates
- State regulatory measures that interact with market operations
- Market participant actions and their impacts on market dynamics
- System responses to the pandemic

EUCI is authorized by IACET to offer 0.7 CEUs for the course. Participants must log on each day and be in attendance for the entirety of the course to be eligible for continuing education credit.

LEARNING OUTCOMES

- Apply information learned into actionable intelligence that will support effective decision-making that yields competitive advantage
- Stakeholder responses and adjustments to optimize their involvement in the system
- COVID-19 system/market responses and adjustments
- Data on prices and why they are moving in certain directions
- FERC Orders – past, present and future – that related to PJM
- Infrastructure additions and subtractions
- State measures within the PJM service territory that bear on market operations and performance
- Market Monitor actions, reports and findings
- Explore what's next for PJM market adjustments and outcomes

INSTRUCTORS

Matthew DeCoursey, *Managing Director – Power and Utilities Practice, FTI Consulting*
Dr. Todd Bohan, *Director – Regulated Industries, FTI Consulting*

ONLINE DELIVERY & PARTICIPATION DETAILS

EUCI will use Microsoft Teams to facilitate participation in the upcoming event. Attendees do not need to have an existing Teams account to participate in the broadcast. The course will play in attendee's browser. When attendees sign on, their microphones are typically muted. Attendees should keep their mic muted until such time as it's needed to ask a question. During the event, participants will have the option of using a microphone to speak with the room and ask questions, or type in any questions via the chat window and our online administrator will relay your question to the instructor.

- Each attendee will receive an event invitation by e-mail, which will include one link to sign on for each half-day of the event (i.e., three links for a 1 1/2 day event). The appropriate link must be used to join each half-day event segment at the appropriate time.
- The remote meeting connection will open approximately 30 minutes before the start of the course. We encourage attendees to connect as early as possible in case of unforeseen problems.

Substitutions & Cancellations

Your registration may be transferred to a member of your organization up to 24 hours in advance of the event. Cancellations must be received on or before September 4, 2020 in order to be refunded and will be subject to a US \$195.00 processing fee per registrant. No refunds will be made after this date. Cancellations received after this date will create a credit of the tuition (less processing fee) good toward any other EUCI event. This credit will be good for six months from the cancellation date. In the event of non-attendance, all registration fees will be forfeited. In case of course cancellation, EUCI's liability is limited to refund of the event registration fee only. For more information regarding administrative policies, such as complaints and refunds, please contact our offices at 303-770-8800.

EUCI reserves the right to alter this program without prior notice.
