

# OFFSHORE WIND: SUPPLY CHAIN & MARINE LOGISTICS

December 2, 2020  
Online | Central Time

*"EUCI provides a high quality product that is very useful in better understanding the energy market and increasing business acumen."*

Sr. Director - Office of Clean Energy, FPL

Offshore Wind development is accelerating in the United States. According to a recent Wood Mackenzie study, the U.S. could benefit from 28 new gigawatts of wind power and \$1.7 billion in U.S. Treasury revenue by 2022.

This course will bring together a curated team of experts for a deep dive into the build-out of offshore wind in North America, including these topics:

- Current market trends in the offshore wind sector
- Supply chain infrastructure to ensure quality fabrication, installation and operation
- Cross industry collaboration with oil and gas and marine industries
- Insights on procurement frameworks, marine logistics and vessels supply chain

## LEARNING OUTCOMES

This course will provide attendees an opportunity to:

- Review the scope of offshore wind projects
- Get a deep dive into the economic benefits and potential of offshore wind
- Identify how to take advantage of a multitude of supply chain opportunities
- Explore cross industry collaboration with oil and gas and marine industries
- Demonstrate an understanding of marine logistics
- Develop working knowledge of procurement frameworks

# ONLINE DELIVERY & PARTICIPATION DETAILS

EUCI will use Microsoft Teams to facilitate participation in the upcoming event. Attendees do not need to have an existing Teams account to participate in the broadcast. The course will play in attendee's browser. When attendees sign on, their microphones are typically muted. Attendees should keep their mic muted until such time as it's needed to ask a question. During the event, participants will have the option of using a microphone to speak with the room and ask questions, or type in any questions via the chat window and our online administrator will relay your question to the instructor.

- Each attendee will receive an event invitation by e-mail, which will include one link to sign on for each half-day of the event (i.e., three links for a 1 ½ day event). The appropriate link must be used to join each half-day event segment at the appropriate time.
- The remote meeting connection will open approximately 30 minutes before the start of the course. We encourage attendees to connect as early as possible in case of unforeseen problems.

### Substitutions & Cancellations

Your registration may be transferred to a member of your organization up to 24 hours in advance of the event. Cancellations must be received on or before October 29, 2020 in order to be refunded and will be subject to a US \$195.00 processing fee per registrant. No refunds will be made after this date. Cancellations received after this date will create a credit of the tuition (less processing fee) good toward any other EUCI event. This credit will be good for six months from the cancellation date. In the event of non-attendance, all registration fees will be forfeited. In case of course cancellation, EUCI's liability is limited to refund of the event registration fee only. For more information regarding administrative policies, such as complaints and refunds, please contact our offices at 303-770-8800.

EUCI reserves the right to alter this program without prior notice.
