**Pipeline Integrity Management (PIM)** is the cradle-to-grave approach of understanding and operating pipelines in a safe, reliable manner. PIM programs are systems managed by pipeline owner-operators that consider all stages of the pipeline life cycle, from conception, to engineering and design, construction, operation, inspection, and finally to repair/replacement when necessary.

Pipeline integrity is at the forefront of focus for operators when taking steps to mitigate and minimize potential pipeline failure. However, it can be difficult to decipher which concepts are effective or unwarranted. The workshop aims to provide participants with an understanding of how to implement PIMS in order to better identify, understand, and control risks posed to pipelines.

LEARNING OUTCOMES

- Review regulations, codes, and best practices
- Discuss HCA/MCA analysis calculations for gas and liquid; release, spill, and plume
- Identify class locations/Impact circles
- Assess pipeline risk management; types of risks, hazards & threats, evaluating your risk profile
- Discuss integrity assessment; hydrotest/direct inspection methods, external/external, in-line
- Preventative & Mitigation Measures
- Evaluate your integrity program; targets, key performance indicators, and benchmarking
- Review TVC: MOAP/Mop Verification
- Review MEGA-rule; impact on new ruling
- Build a Robust IMP; data management and geospatial information systems

EUCI will use Microsoft Teams to facilitate participation in the upcoming event. Attendees do not need to have an existing Teams account to participate in the broadcast. The course will play in attendee’s browser. When attendees sign on, their microphones are typically muted. Attendees should keep their mic muted until such time as it’s needed to ask a question. During the event, participants will have the option of using a microphone to speak with the room and ask questions, or type in any questions via the chat window and our online administrator will relay your question to the instructor.

- Each attendee will receive an event invitation by e-mail, which will include one link to sign on for each half-day of the event (i.e., three links for a 1 ½ day event). The appropriate link must be used to join each half-day event segment at the appropriate time.
- The remote meeting connection will open approximately 30 minutes before the start of the course. We encourage attendees to connect as early as possible in case of unforeseen problems.

Substitutions & Cancellations
Your registration may be transferred to a member of your organization up to 24 hours in advance of the event. Cancellations must be received on or before November 6, 2020 in order to be refunded and will be subject to a US $195.00 processing fee per registrant. No refunds will be made after this date. Cancellations received after this date will create a credit of the tuition (less processing fee) good toward any other EUCI event. This credit will be good for six months from the cancellation date. In the event of non-attendance, all registration fees will be forfeited. In case of course cancellation, EUCI’s liability is limited to refund of the event registration fee only. For more information regarding administrative policies, such as complaints and refunds, please contact our offices at 303-770-8800.
